

Bulletin

#08-13K

DATE: 28 January 2008
TO: All Kidde Fire Systems Distributors
FROM: David Van Zandt, Product Manager, Pre-engineered Systems
SUBJECT: New Remote Manual Release

This Bulletin Includes Important Product Information

This bulletin announces the launch of the new Remote Manual Release (RMR) for XV and KRS-50, available now!

Part Number	Description
87-120110-001	Remote Manual Release, combination Pull-to-trip and Release-to-trip

The new RMR immediately replaces the release-to-trip pull stations and accessories, as follows:

Table 1. Release-to-trip Remote being Discontinued

Part Number	Description
87-100030-761	KRS-50 / XV Inline Remote Manual Release, Surface Mount
87-120051-001	KRS-50 / XV Inline Remote Manual Release, Recessed Mount
87-120052-001	KRS-50 / XV EOL Remote Manual Release, Surface Mount
87-120050-001	KRS-50 / XV EOL Remote Manual Release, Recessed Mount
87-120053-001	In-line Kit for Remote Manual Release P/N 87-120052-001

As inventory is used up, the RMRs listed in Table 1 will be discontinued without further notice.

The new RMR will eventually replace the pull-to-trip pull stations and accessories, as follows:

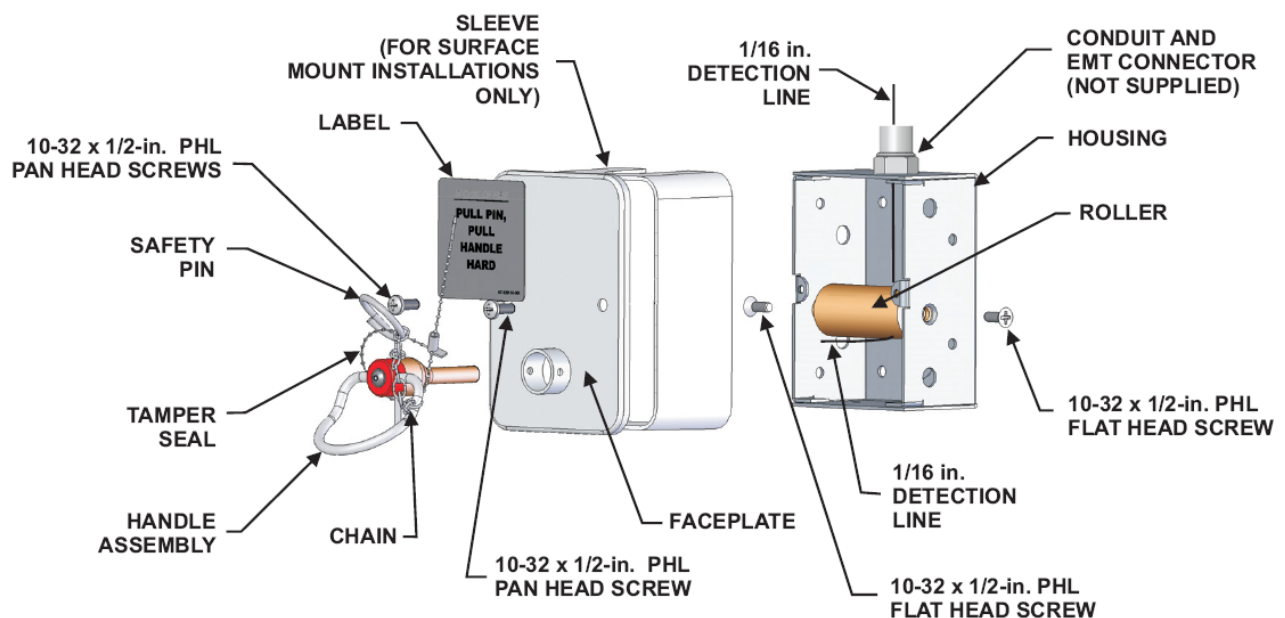

Table 2. Pull-to-trip Remote being Discontinued

Part Number	Description
WK-875572-000	Pull-to-trip Remote Manual Release for XV (and Belleville)

Production of the 875572 will be phased out by mid-year 2008.

The new remote manual release, by replacing five other remotes and an accessory kit, will help you in the following ways:

- Ease of inventory control by replacing **six** items with **one**.
- More flexible installation parameters.
- Installers will only need one RMR type on their service vehicle. It will be easy to decide, in the field, the best way to install the remote manual release.
- There is only one item that does everything that six did before, making it impossible to put the wrong part into the BoM, and loaded into the installer's truck.

Example of Graphic from Manual (Figure 4-37 of Industrial DC Manual)

See Design, Installation, Operation and Maintenance Manuals, part-numbers

- 87-122000-001 for Commercial Kitchen Systems
- WK-220423-000 for Industrial Dry Chemical and Open Front Paint Booth Systems
- 83-100036-001 for Automotive Paint Booth Systems

Kidde Fire Systems remains thankful for your ongoing business.
