IMPORTANT PRICING INFORMATION

Please share with your Sales, Design and Purchasing personnel

Would you like to improve your competitiveness and be more profitable in your special hazards suppression systems business as we close out 2016?

We suggest that you take IMMEDIATE advantage of our free freight promotion. Specifics are as follows:

- The promotion is effective immediately for new Domestic US & Canada Purchase Orders of net value USD \$6,000 and higher
- Net value is the list price as stated in the currently effective Price List less your established discount for the product line
- Product lines included are Engineered Systems and Pre-Engineered Systems when bundled with Engineered Systems
- Orders must be received on or before December 2nd, 2016
- Orders must ship on or before December 30th, 2016
- Rush orders and air shipments are excluded. LPCO2 tanks are also excluded
- There is no limit on the number of qualifying PO's you can place and no additional conditions to be met – just send in your PO per the stated criteria and enjoy the free freight
- The existing free-freight program for Pre-Engineered systems of net value \$5000 and higher remains unchanged
